# Registering and Completing ENVS/ESCI/UEPP 498B Credits

**YOU MUST BE REGISTERED FOR INTERNSHIP CREDITS WHENEVER YOU ARE PERFORMING WORK RELATED TO THE INTERNSHIP TO RECEIVE ACADEMIC CREDIT**

- This **INCLUDES** Summer Sessions.

## **REQUEST FACULTY MEMBER TO OVERSEE 498B CREDITS**

- The CRNs for ENVS/ESCI/UEPP 498B credits are linked to specific faculty members.
- Students need to speak with the faculty member for these credits.
  - If possible, students should have a draft of an Internship/Learning Agreement completed before they approach a faculty member to supervise the internship.
  - Most students use their faculty academic advisor as their faculty internship supervisor
    - During Summer Sessions, your faculty advisor may not be available. If not, then register for internship credits with Ed Weber, CENV Internship Coordinator.
- Environmental Science students register for ESCI 498B and all others for ENVS/UEPP 498B.
- Registration for 498B (Internship Credits) requires an override, which is normally given by the CENV Internship Coordinator (Ed Weber, ES545)
  - You must have a completed/signed Learning/Internship Agreement signed **before** the override will be input.

## **CRNS FOR ENVS/ESCI/UEPP 498B**

- See Classfinder for the CRNs for ENVS/ESCI/UEPP 498B Internship credits.
  - During Summer Sessions, if your faculty advisor is not listed, please register for credits with Ed Weber, College of the Environment Internship Coordinator.

## **VARIABLE CREDIT REGISTRATION ON WEB**

- Initially you can only register for one credit.
- Return to the registration menu after registering. Then go to Change Variable Credits to change the 1 credit to the number of credits desired. (Instructions for Changing Variable Credits are included on the Add/Drop page for registering.) 30-hrs work = 1 academic credit. Register in good faith based on anticipated hours for the whole quarter.

## **RESOLVING K GRADES**

- To graduate, you must receive a passing grade for any credits listed on your major evaluation.
- (For Internship, students must receive a Satisfactory (S) for S/U grading. **Incomplete grades not completed and graded after a year from the quarter of registration automatically become a U (Unsatisfactory) or a Z (equivalent to an F). Incompletes can impact financial aid standing.**

## **REPORT SUBMISSION**

- Final report will be submitted to your faculty advisor using the ESIGN Form available on the CENV webpage.
- Always consult with the faculty advisor **in advance** about how much time he/she will need to read and grade the report by the end of the graduation quarter.
  - The most difficult time to get a grade on a report is for summer quarter graduation because faculty are generally not available during this time.
  - Spring graduation is a close second in difficulty because many faculty leave campus for extended periods after their last final.
